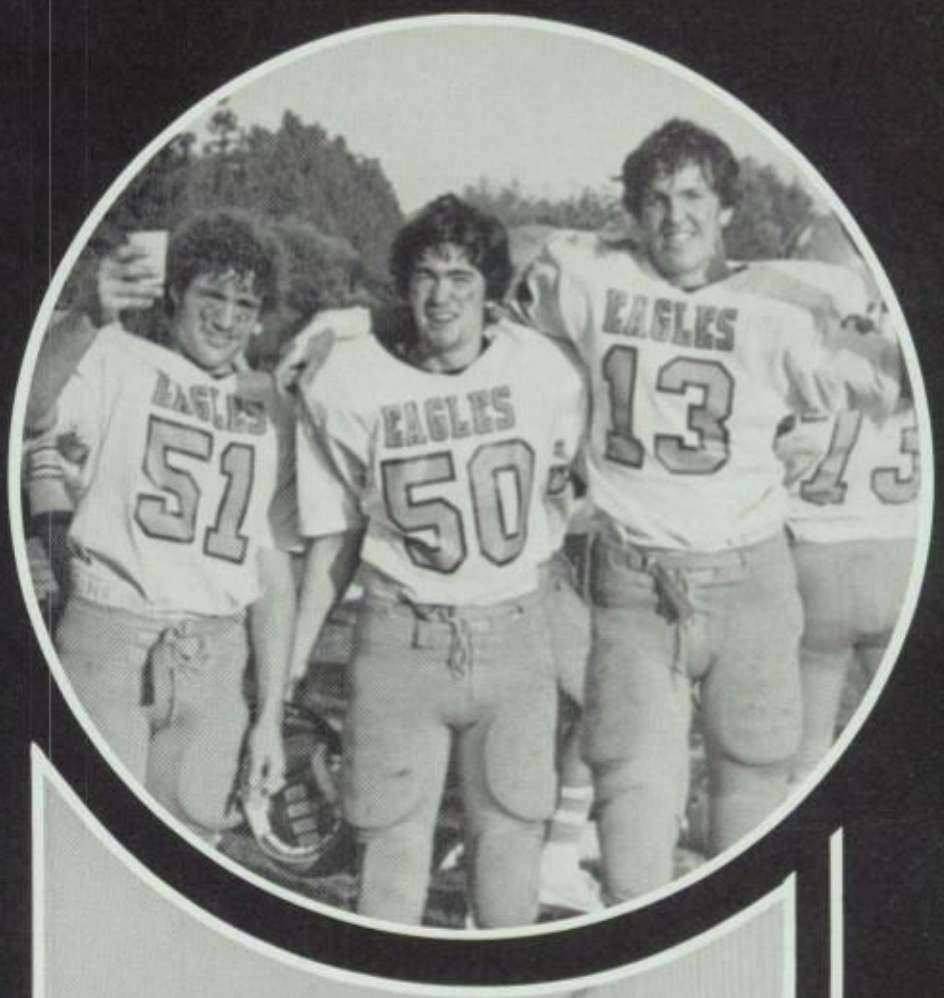
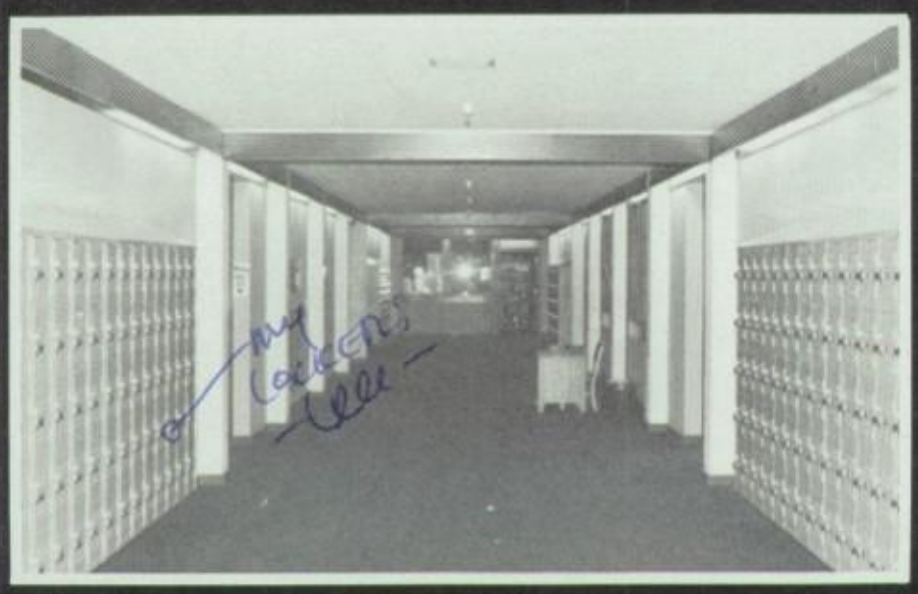
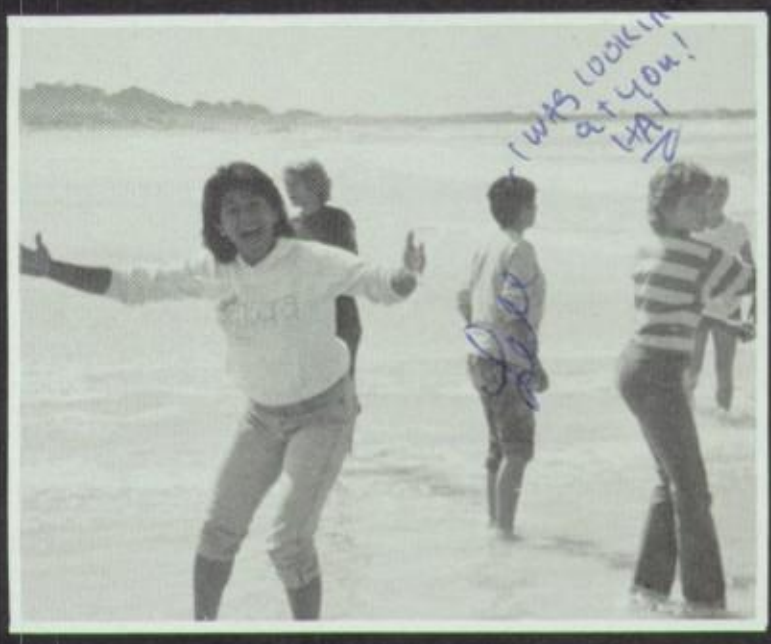
FALL ACTIVITIES







Welcome Back Dance

This dance was held at the little gym on the second Thursday of the beginning of the school year. Its purpose was to introduce and "break the ice" between the new students and staff with the old students and old staff also. Cathy Holsten started the party with the introductions of the new students and staff in the High School Dept. Then there were two games, one was "train" and the other was "freeze dance".

The "train" game is a game where there is a straight line of boys and girls, either one. The opposite sex stands around the line, and when the lights go out, the circle runs around the line. At the same time, the person at the end of the line is taken out. When the lights come back on, each one has to run to catch a partner or be kicked out and so on until the number of people gets small.

The "freeze dance" is like a regular dance - picking partners then dance together until the lights come back on. When the lights come on, everyone is supposed to freeze, not even to move at all until the lights go out again. This party also included refreshments baked by FEAST classes. With everything happening, it sure broke the ice between the students and staff for the year of 84-85, giving us a good start for our school year.

Asilomar Conference . . .

Thirty-nine CSD students and six staff members took part in a 2-day Student Leadership Conference at Asilomar in Monterey, Calif., Oct. 3-4.

The students defined the following five goals for the school, and outlined specific objectives that will help to reach these goals.

The Great Debate

CSD students took the roles of Democrats and Republicans in a debate of the 1984 campaign issues. The auditorium of the Little Theater was completely filled with students who were intensely interested in the viewpoints expressed by both debating teams. Representing the Republican point of view were Alan Davary, Debbie Trapani, Maureen Jones, and Kevin Hendrix, captain. Debating the Democrats point of view were Danny Barrett, Scott O'Donnell, Cathy Holsten, and Roger Wilkins, captain.

Open House

More than 400 people attended the CSD Open House on Monday, November 12th despite the stormy weather. Visitors observed the school in operation all morning and the Little Theatre was completely full (with many people standing in the aisles) during the afternoon video and variety show presented by the Broadcast Journalism Class and Communication Skills Department.

The FEAST program and the APTC snack bar nearly sold out their food supplies to the many visitors. Children's books and sign language jewelry and cards were offered to visitors and a percentage from these sales was donated to APTC. Raffle sold more than 5,000 tickets this year which is a new record.

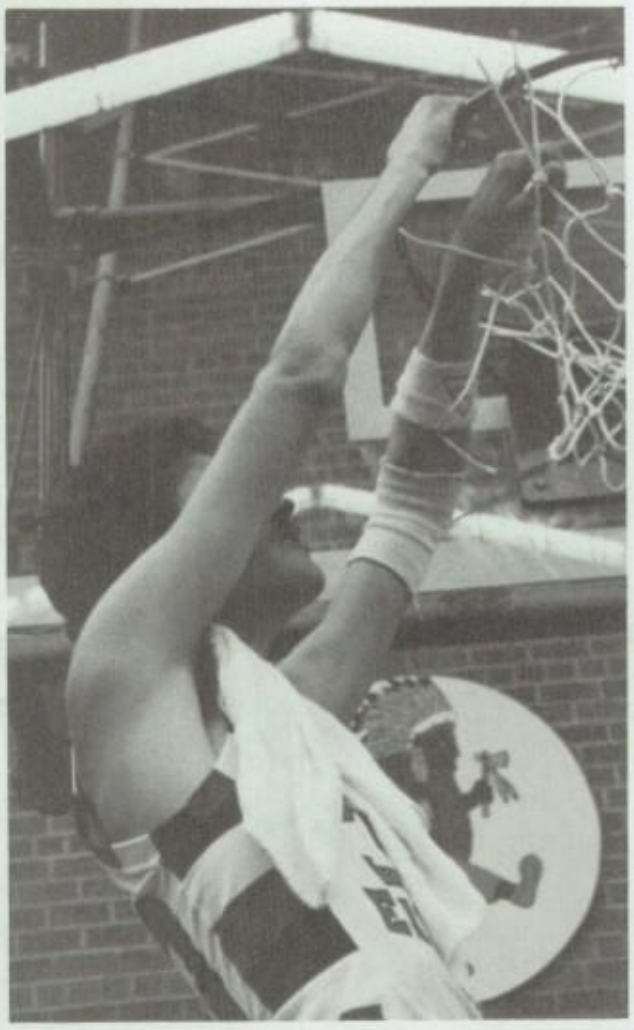
WESTERN STATES BASKETBALL CLASSIC

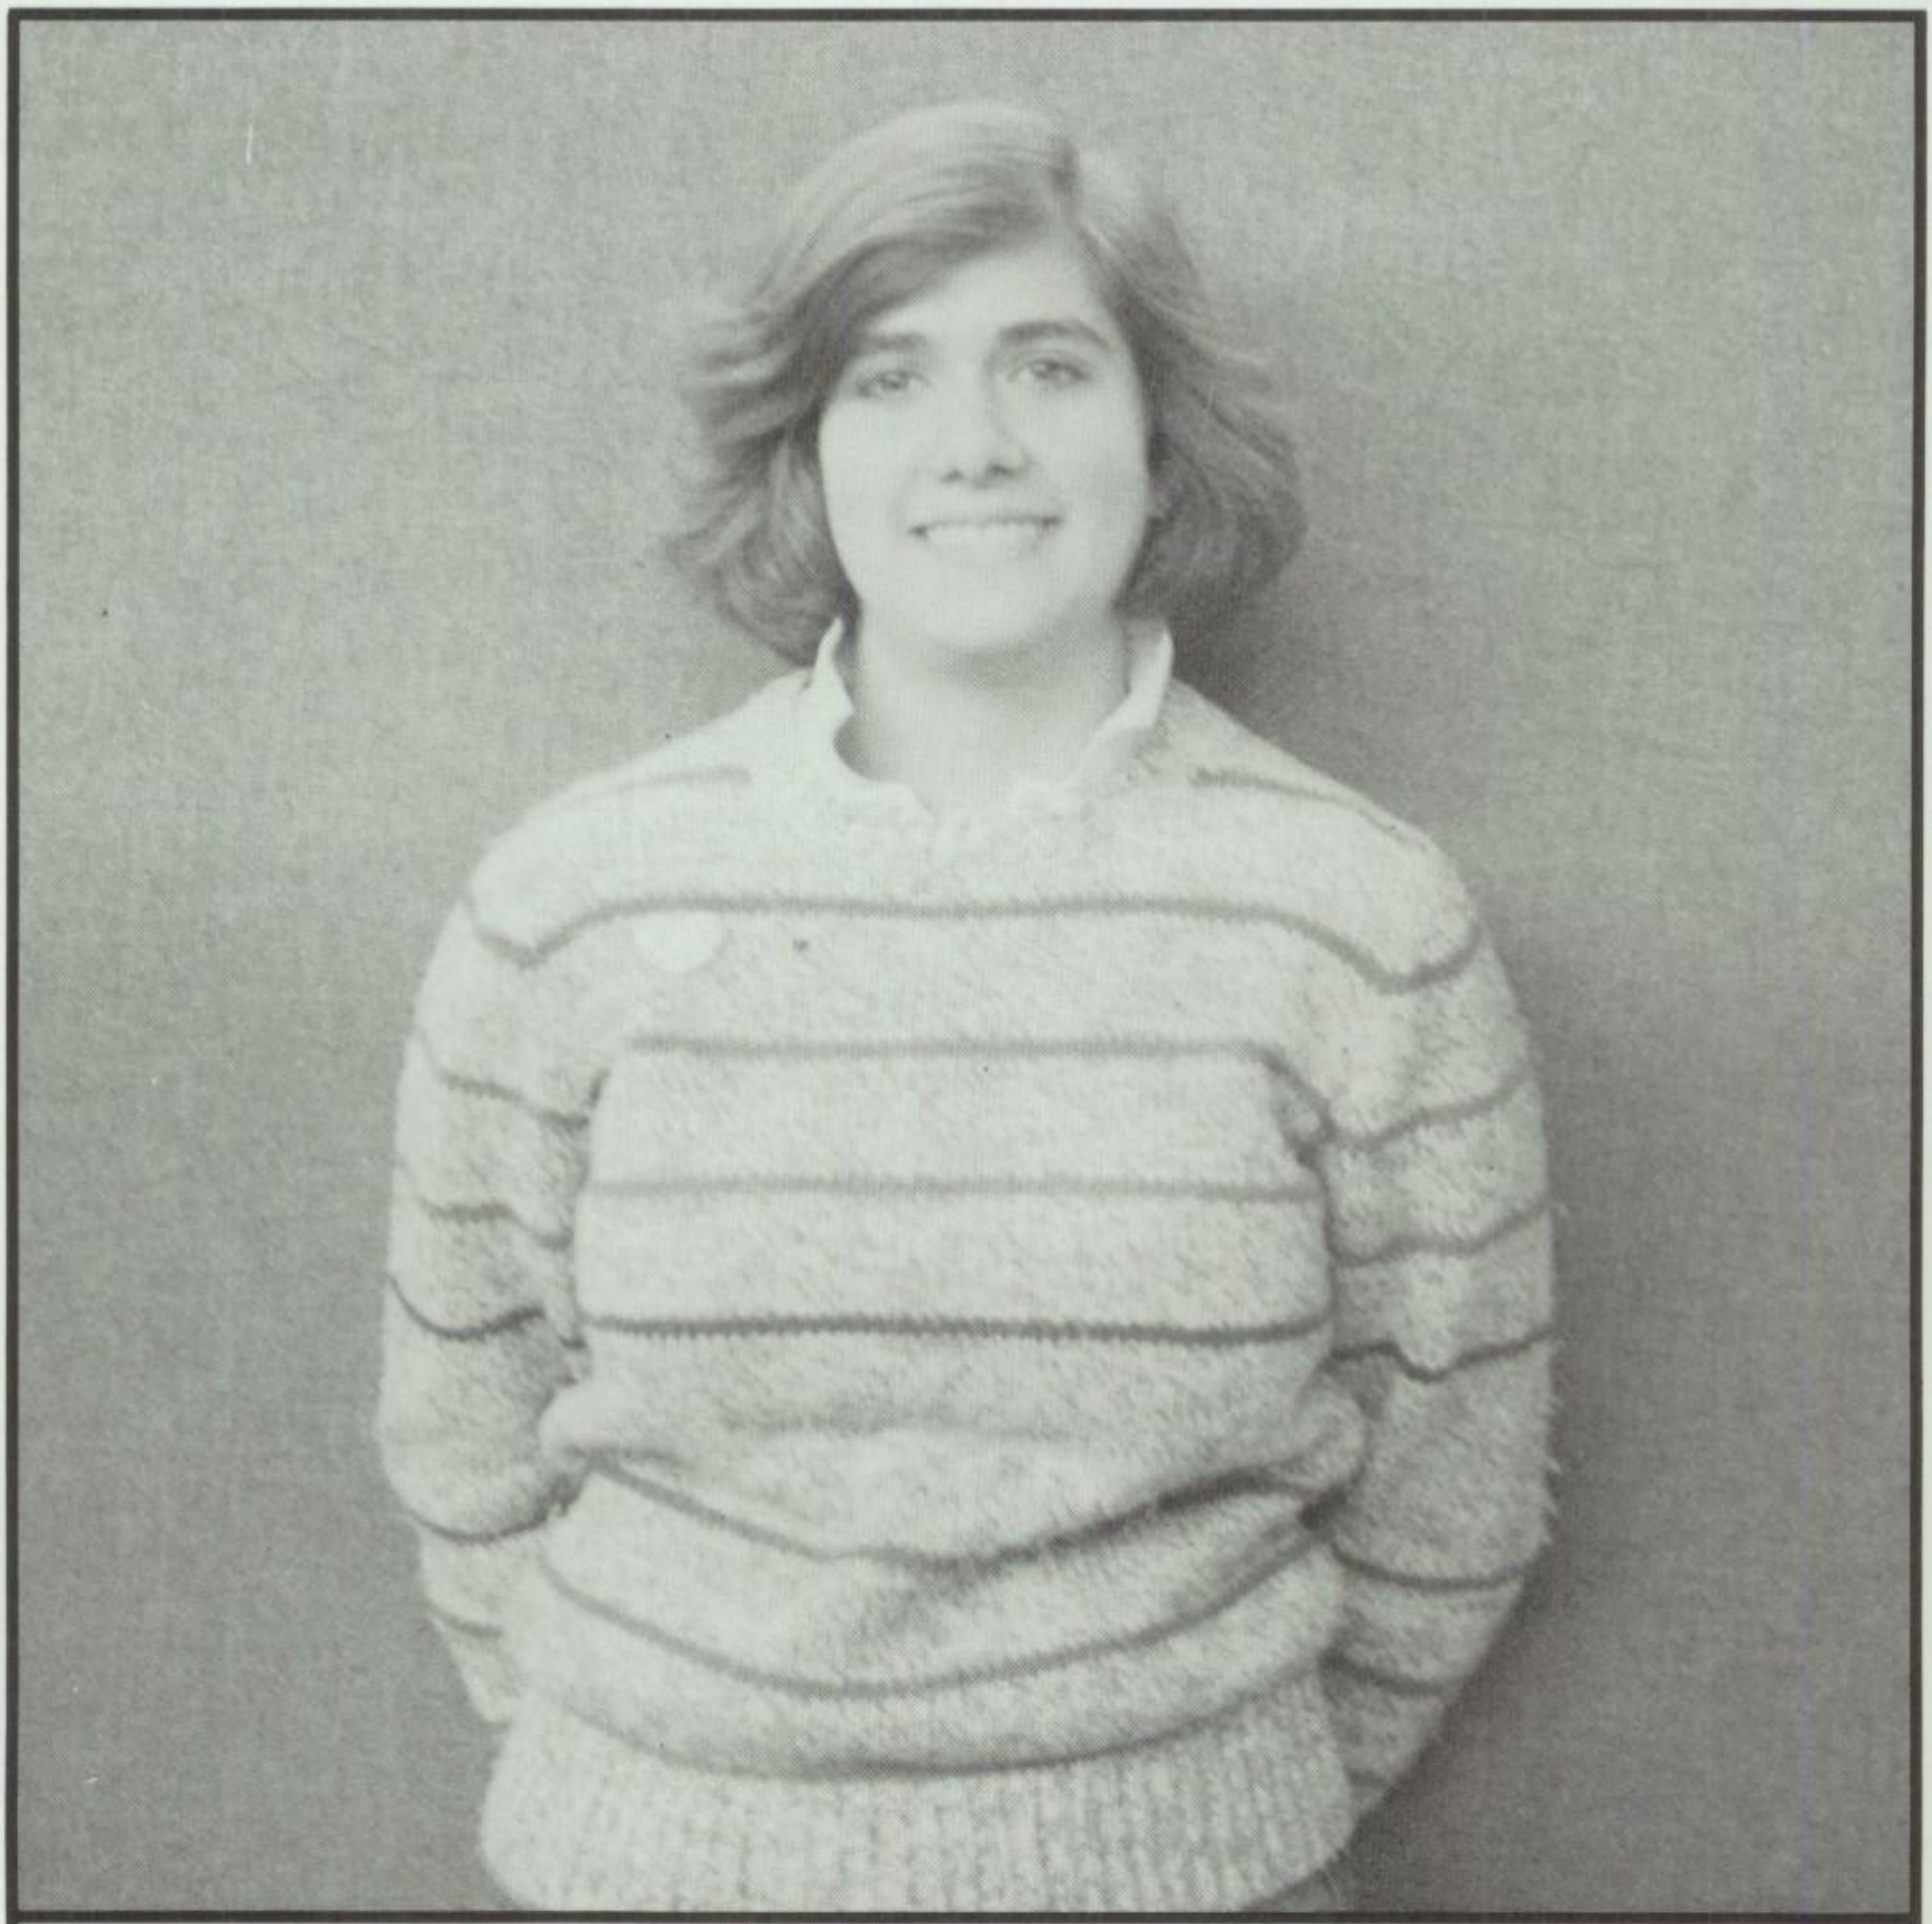


A total of 28 students and 6 adults went to Tucson, Arizona, for the Ninth Annual Western States Basketball Tournament sponsored by Western Airlines. For the third year in a row, our Varsity boys captured the honors of being the "Champs of the West!!!"

The Girls, after losing a lackluster game against Washington State School for the Deaf, came back strong to defeat Oregon and Riverside for an exciting fourth place finish.

Our cheerleaders had a very respectable performance and garnered a second place trophy but captured the Over-All Best Spirit Recognition.

Several CSD students were chosen for the All Tournament Selections. Lance Fabela, Norman Edwards, and Rod Pedersen made it to the boys first team, and David Edwards was chosen for the second team. For the girls All Tournament Selections, Florence Chin and Anita Dominguez were chosen for the second team.



Julie Gobel
Boonville Queen

The CSD Varsity boys' basketball team chose me as a candidate to compete with fifteen other candidates from other schools in the tournament. A girl from any grade can be chosen. Each candidate was given an interview based on themselves, their contributions to their hometown, their school activities, and their hobbies and interests. Each girl was also asked to send in a photo.

Before the tournament on November 30, December 1 and 2, the judges selected four finalists. I was one of the four. On Friday night, December 1, the four finalists wore gowns and were escorted by the hometown players. The judges announced me as a queen. I was crowned by the queen of the 1983 tournament. I was very surprised. I did not think of winning. I was just excited about it. I am really happy to be the queen.

The CSD Varsity boys placed in fourth out of sixteen teams. Norman Edwards and Rod Pedersen got all tournament honors.

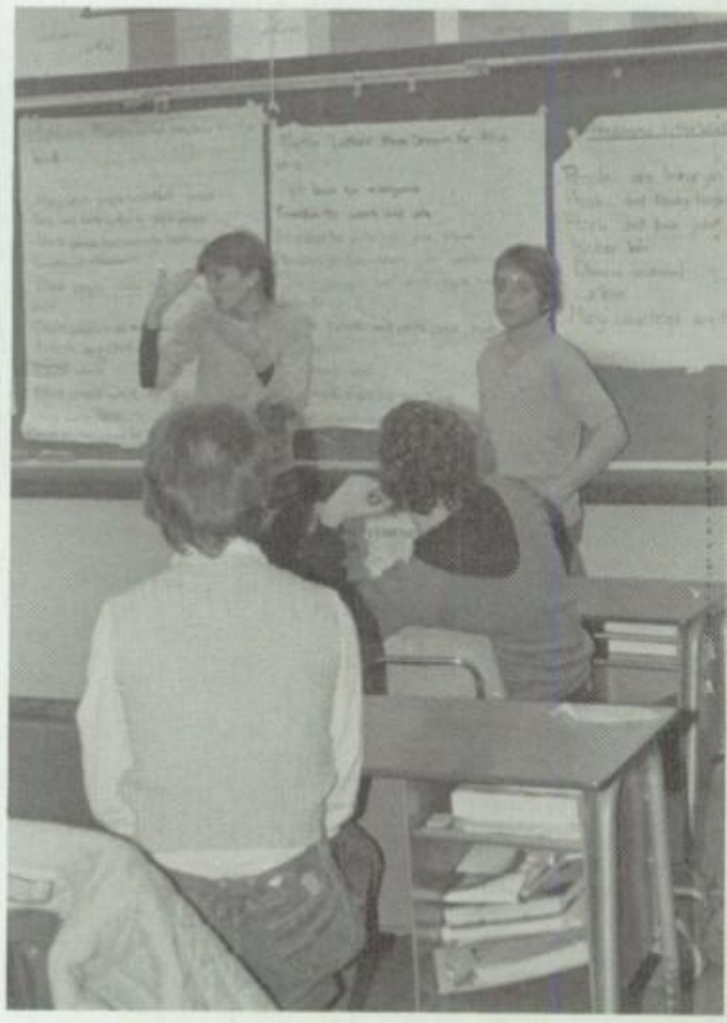
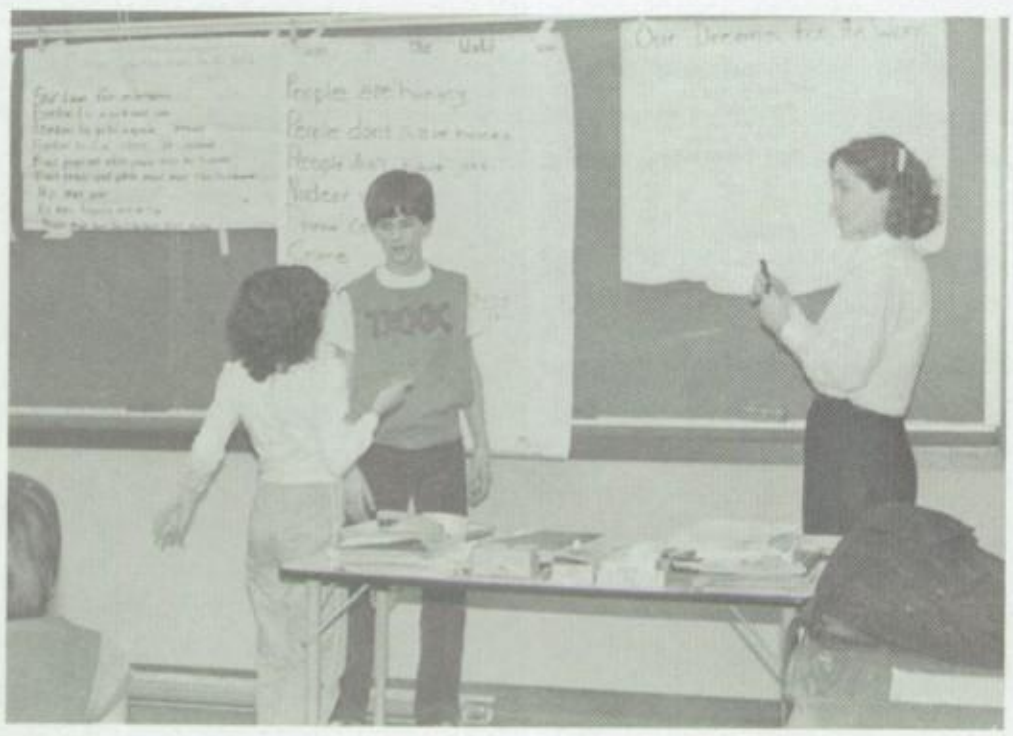
JHS Holds Native American Day

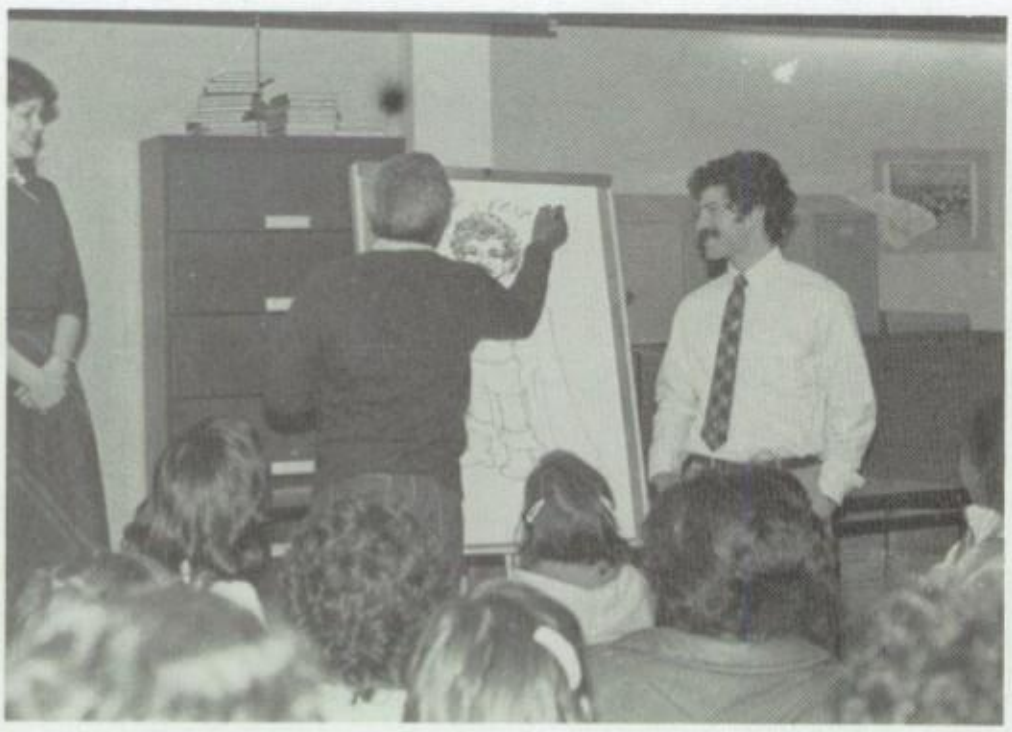
Nancylee Schmidt and Joyanne Burdett, with the help of all other teachers in junior high, organized a Native American Day on Friday, September 28.

Students were exposed to all kinds of activities directly connected to the lives of American Indian tribes: the art of ropemaking presented by Jan Southworth, a naturalist from Coyote Hills Regional Park; Indian sign language; storytelling; rituals and ceremonies of American Indians; clothing and hair styles; and shelters and food.

These activities took place throughout the day and were obviously very educational for the students.







Black History Day

In honor of Black History Mon

Junior High classes.
The final part of the program was
